# Call for Proposals for the 2021 virtual All In National Meeting (AINM) is now live!

**Deadline to submit proposals: June 11, 2021**

**Submit proposals: <https://bit.ly/3w0Dyu9>**

**Meeting Registration Opens: July 6, 2021**

All In is seeking proposals from applicants who are actively engaged in multi-sector collaborations of organizations, community members, local and state government agencies, and other stakeholders working together to improve health and well-being through data sharing. We are especially interested in projects that address the meeting's themes including centering racial equity, navigating the spectrum of community engagement, and advancing policy change. We seek examples of innovative models, strategies, successes, failures, mixed results, and lessons learned that meeting participants can apply to transform their own communities.

# Next up: Expanded Discussion and Q&A

*Take a moment to breathe, stretch, and/or exit  
We will reconvene at 12:05 PM CST*

Please fill out the evaluation survey as you close out of the webinar.  
Thank you for your attendance today!
